## SAVING MONEY & SAFETY FOR VACATION

It may seem like winter will never end, but summer is just a few short months away and you know what that means... SUMMER VACATION!

If your family is planning a summer vacation, be sure to set aside some of your savings so you can treat yourself. If you want to earn a few extra vacation dollars, talk to your parents about doing some special chores. Think of things they normally do that you could do instead, like picking up your toys at night, feeding your pets, sweeping the floor or things like that.

Then, when you're on vacation, make sure to keep your money safe. You can ask your parents to hold onto your money, or if you want to keep it, here are some safety tips:

- **Only take what you need**  
No need to bring all the cash you have in your piggy bank. Leave what you don't need at home.
- **Don't keep money in your backpack**  
Carrying a backpack is great for many things, but it's easy for pick-pockets to unzip it without you noticing. Instead, keep your wallet in your front pocket or in a fanny pack.

## BE A PLANET HERO!

- Using just one reusable bag can prevent the use of 600 plastic bags.
- Recycling one can of soda will save enough energy to power a TV for three hours.
- Shutting down a computer when not in use cuts down its energy usage by 85%.
- Per mile, walking instead of driving keeps nearly one pound of pollution out of the air.

## EARTH DAY: WHAT YOU CAN DO FOR THE EARTH!

Our planet is an amazing place, but it needs our help to thrive! That's why each year on April 22, more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. By taking part in activities like picking up litter and planting trees, we're making our world happier and healthier.

### What can you do to help the Earth?

There are many ways to help the Earth, from planting trees and turning off lights to limiting your water usage. One of the biggest ways you can help is to become a Waste Warrior, which means finding ways to recycle, reuse and limit your waste (aka, your garbage).

### Why are Waste Warriors needed?

The number of garbage trucks Americans fill each year would stretch halfway to the moon... Yikes! Waste Warriors help reduce waste by recycling and repurposing items instead of throwing them away. There are a ton of ideas online you can find for inspiration. Plus, Waste Warriors find ways to limit waste by reducing the amount of new things they buy. For example, they might check the library for books or go to stores like Goodwill for clothes.

## DIRT CAKE RECIPE

Dirt cake is a great dessert to make in celebration of Earth Day! The crushed chocolate sandwich cookies look just like dirt, and it even has a gummy worm for extra fun. Serve it in a flower pot at a party or even as an after dinner treat.

Ingredients:

- 32 oz chocolate sandwich cookies with creme filling
- 1 (8 oz) package cream cheese, softened
- ½ cup butter, softened
- ½ cup confectioners' sugar
- 3 ½ cups milk
- 1 (12 oz) container frozen whipped topping, thawed
- 2 (3.5 oz) packages instant vanilla pudding mix
