SUMMER SAVINGS CHALLENGE

Want to be a summer savings superhero? Put everything you learned to the test and see if you can save \$10, \$20, or more by the end of summer! Ask a family member to help you track your savings. You'll be amazed at what you can do!

Remember, every superhero starts small. But with courage, kindness, and coins in your jar, you're ready to save the day—and your dollars!

Stay cool, stay kind, and keep saving!

HOW TO BE A SAVINGS SUPERHERO THIS SUMMER

1. Set a Super Goal

Do you want to save for a new toy, game, or bike? Write it down and draw a picture of it. That's your super mission!

3. Earn Hero Bucks

Talk to your parents and ask how you can earn money. Some ideas are:

- Helping with chores
- Walking the dog
- Feeding pets
- Cleaning your room
- Packing your lunch

2. Make a Hero Jar

Turn your piggy bank, or a jar, box, or container, into your Super Savings Bank. Decorate it with stickers or your superhero name!

4. Save Before You Spend

Whenever you get money, try saving at least half. That way, your money grows and your goal gets closer!

5. Celebrate Small Wins

Each time you add to your jar, give yourself a cheer or do a little dance—you're getting stronger with your money powers!
