

An Update On  
**CORONAVIRUS**

# LOBBY CLOSED

As the COVID-19 pandemic continues to evolve, we need to protect the health and wellbeing of our employees and customers, support community health efforts to stop the spread of the virus, while also taking every measure we can to continue providing trust and investment services and avoid potential disruptions of service to our customers.

With Governor Evers ordering “Safer at Home,” we decided that most of our employees will work from home. Our team remains reachable by email and phone.

***Our lobby is currently closed. We are offering meetings by appointment only. Please call (262) 522-7400 to schedule.***

We are committed to making Waukesha State Bank Wealth Management and Prairie Trust a safe and healthy place to serve your needs. Thank you for being a valued customer.
